PRESS BOX & PARKING: Only working press and scout persons with advance notice will be allowed access to the press box. The working press will be seated in the area closest to the 50-yardline. The press box is located on the east side of the UNI-Dome above the east stands. Entrances are located on the north and south ends of the box.

Parking for the working press will be in the west lot of the PEC Building which is located directly north of the Dome and can be reached from Hudson Road (HWY 57) which runs north and south on the east side of the UNI-Dome. Your press box pass will be sufficient to enter the lot to park.

ENTRANCE TO THE UNI-DOME: The easiest access to the press box from the west lot is to enter the PEC Building through the west entrance and proceed directly across to the east entrance where a long tunnel, which will be on your right-hand side, will lead you to the playing surface. After passing through the revolving doors, there will be stairs on your immediate left that will get you up to the seating area. Continue up the concrete stairs and you will enter the north door of the box. We believe in keeping our working press physically fit.

RADIO STATIONS: Radio Stations will be assigned broadcast space upon request for permission to broadcast. Stations should make their own arrangements for telephone hookup and private telephone(s).

PHOTOGRAPHERS: Photographers will be issued press passes allowing them on the sidelines or in the press box in a designated photo area. **NOTE TO PHOTOGRAPHERS**
FILMING IN THE UNI-DOME: For black and white prints we suggest the use of Kodak Tri-X film with the ASA pushed to 1600. The exposure should be 250th of a second at f-stop 4. For color slides or prints, Ektachrome or Kodacolor of ASA 400 shot at 125th of a second at f-stop 2.5 usually produces the best picture. These are only suggestions, please feel free to use your own judgment.

SERVICES PROVIDED: Printed programs, starting lineups, depth charts and other pre-game information will be provided. Team and individual stats along with the play-by-play will be distributed at halftime and immediately after the game. Quotes from opposing coaches and players will be given out as soon as they can be obtained. Player and coaches' interviews will be available in the locker rooms 10 minutes after the game is completed. Panther interviews and stories during the week should be directed through the Sports Information Department.

There will be food and drinks provided in the press box before the game and at halftime.

Athletic Director and Head Coach Stan Sheriff

Becoming the winningest coach in history at the University of Northern Iowa was just a matter of time for Head Coach Stan Sheriff.

It had been that way since he took over in 1960.

Sheriff took over with a bang producing an undefeated team in his maiden year to put the Panthers into a bowl game for the first time ever.

Sheriff came to UNI in 1958 as first assistant to Bill Hammer and succeeded him two seasons later.

Since then he has piled up an impressive 107-80-3 overall record for a .563 winning edge and his teams have won or shared four North Central Conference titles.

The 1960 team was a gem. UNI went 9-0-0 in regular season before losing to Hillsdale College in the Mineral Bowl and Ex-selsior Springs, Mo., 17-6.

Sheriff won the North Central Conference title again in 1961 with a 7-2 record and repeated in 1962 with a 7-1-1 mark, sharing the crown with South Dakota St. both years. He took a sophomore dominated team to a 5-3-1 mark in 1963 and a second place finish in the NCC.

Then came 1964 and the most heralded year of all. His Panthers posted an 8-2-0 season, got the bid to the first Pecan Bowl game and beat Lamar Tech 19-17 in the heat at Abilene, Tex.

The heart of that championship team left in 1965 and UNI lost five straight before rallying to post a 4-5 mark, a figure they repeated in 1966.

In 1967, Sheriff parlayed a small but cohesive defensive unit into a 7-3-0 mark, losing by one point 10-9 to champion North Dakota St., the number two ranked division team in the nation. The heart-breaking losses of four, one, and three points came during a tough schedule.

His subsequent teams went 5-5-0 in both 1968 and 1969, 2-8 in 1970, 4-5 in 1971, 4-6 in 1972, 5-5 in 1973, and 5-4-1 in 1974. Those were the lean years.

In 1975, his Panther team, behind All-American quarterback Bill Salmon, rolled to a 8-3 regular season and got the bid to the NCAA first-round playoffs. The Panthers met Western Kentucky in what now has been labeled the 'Mud Bowl', and dropped a 14-12 squeaker.

The nucleus of that team left, but Sheriff put together a sophomore-dominated team in 1976 that posted a fine 8-3 record in the Panthers' new home — the UNI-Dome.

In 1977, with the No. 1 quarterback knocked out for four games with a shoulder separation, coupled with an entirely new defensive front line, the Panthers bounced back from a slow 2-4 start to win its last four games and placed second in the NCC.

Just as Sheriff's teams have played a dominant role in the NCC, so have individual players. He's produced 60 All-Conference players, with eight winning most valuable back or linesman awards. Seven times in 18 years he's had the league's leading ground gainer.

In 18 seasons he has produced eight first-team Little All-America players with the most recent being offensive tackle Mike Timmermans in 1975. In 1960 both guard George Asleson and quarterback Jerry Morgan were honored. In 1961 guard Wendell Williams made the top team, followed in 1962 by fullback Dan Boals. Then came Randy Schultz to win first team honors in both 1964 and 1965, the first Iowa college player ever to repeat as a first team selection. In 1968, defensive tackle Ray Pedersen joined the elite list.

Since he assumed the additional role of Athletic Director in 1970, Sheriff has directed a very potent 11-sport intercollegiate program, copping six North Central Conference all-sports trophies.

Sheriff's knowledge of football and athletics does not stop at the university level. He served a nine-year term on the NCAA Football Rules Committee. He has also served terms on the American Football Association Committees involving conventions and public relations and the prestigious NCAA Television Committee, which just recently negotiated a multi-million dollar contract with ABC Television.

Stan Sheriff, a native of San Francisco, was a collegiate star at California State Polytechnic College at San Luis Obispo. An all-conference center for three seasons, he was the league's most valuable player as a senior and was named to the first team Little All-America. Following his senior year in 1953 he played in the East-West Shrine game and the Hula Bowl, one of the first small college players to earn both honors.

Sheriff graduated from Cal Poly in the spring of 1954 and went on to play professional football for three seasons in the NFL as a linebacker.

His first coaching experience came during a tour of duty in the U.S. Army (two yrs.) when he guided the 4th Infantry Division team to the European service title with a 10-1-1 record.

During the off-season as a professional, Sheriff continued his education and received his Master's degree from Cal Poly in 1958, just prior to his arrival at UNI.

Stan and his wife Jane have three sons, Paul, Michael and Richard.

The Panther Assistants

Dennis Remmert — Defensive Coordinator and Defensive Line Coach — Recruiting Coordinator

The veteran of the UNI staff, Remmert is beginning his 16th season for the Panthers. His responsibilities will be coordinating the Defense and coaching the Defensive line. In addition, he is in charge of coordinating the football recruiting efforts. An All-American defensive tackle at UNI in 1959, he also earned All-North Central Conference honors in 1958 and 1959. After graduation in 1960, he played professional ball briefly for Buffalo. He joined Sheriff's staff as a graduate assistant in 1961 and served for two seasons before coaching at Iowa Central Community College in Fort Dodge in 1963. Remmert rejoined UNI's program fulltime in 1964, when the Panthers visited the Pecan Bowl. He also received his M.A. Degree in Physical Education in 1964. A native of Traer, IA, Remmert spent most of his younger life in Mason City. Dennis and his wife, Sandy, are the parents of two young sons, Chad and Brad.

Roger French — Offensive Coordinator and Offensive Line Coach

A new addition to the UNI staff, French brings a wealth of football knowledge to UNI's football fortunes. He has spent the past 24 years as an assistant coach in various capacities. Prior to coming to UNI, he spent nine years on the University of Minnesota staff coaching the offensive line, tight ends and receivers. He started his career at Memphis State where he worked for 10 seasons and spent five years at the University of Wisconsin before going to Minnesota. French will serve as the Offensive Coordinator and Offensive line coach. A Minneapolis native, he played for the Gophers as a linebacker, fullback and interior lineman, going both ways. After graduating in 1954, he spent a year with the Philadelphia Eagles before going to Memphis State. Roger and his wife Dorothy have two daughters, Kathy and Gail.

Larry Norman — Defensive Backfield Coach

In his third year at Northern Iowa, Norman heads up the defensive backfield, an area he knows well. He was a defensive back for three years at UNI and in 1974 was chosen as a defensive co-captain. A native of Winthrop, IA, Norman was an all-state selection in high school. After graduating from UNI in 1975, Norman served as a graduate assistant on the 1976 Panther squad before being named as the full-time defensive backfield coach in 1977. Larry and his wife, Jo Anne, reside in Cedar Falls.

Mike Kolling — Linebacker Coach

Kolling begins his third season on the staff in charge of UNI's outstanding linebacking corps. A native of Graceville, MN, Kolling graduated from South Dakota State in 1972 and played briefly with the Denver Broncos of the NFL and Birmingham Americans of the WFL. After receiving his M.S. degree from North Dakota State in 1974, Kolling coached for one year at Roswell, NM, and one year at Hopkins Lindberg High School in Hopkins, MN. He was an assistant at South Dakota State one year and an assistant at North Dakota State two years before being named to the Panther staff in 1977. Mike and his wife, Cindy, have one son, Michael.

Lou Pirrotta — Offensive Backfield and Receivers Coach

The newest addition to the Panther staff having arrived in the early part of July. Comes to UNI from Park Falls, WI where he has directed the football fortunes of Lincoln High since 1973. A native of Camden, NJ, Pirrotta was recruited by Coach Bob Otto to play for Mankato State where he lettered three years as the starting offensive center. After graduating in 1970 with a B.S. in physical education, he spent three seasons as a graduate assistant before moving to Park Falls. He will be in charge of coaching the Panther receivers and backfield. He will be joined in Cedar Falls by his wife, Alyse and two children, Christopher (9) and Raea (6).

Outlook For 1979

The fountain of youth has been discovered. It is in the form of the 1979 University of Northern Iowa football team. Of the 103 players listed on this year's roster, only 15 of them will be seniors. Of the remaining 88, 51 are either sophomores or freshmen. Obviously, the Panthers are going to be playing a lot of people with little or no experience.

"We were a young team last season," says Head Coach Stan Sheriff. "I know people get tired of hearing how young you are, but the fact remains we had a lot of young players who were freshmen being asked to go out and do the type of job that is expected from upperclassmen. The same situation exists this season. Most of our starters will be sophomores and juniors."

Sheriff looks to the upcoming year with guarded optimism. The schedule once again is brutal with games against conference foes Eastern Illinois, Western Illinois, Northern Michigan, Youngstown and Akron. North Dakota State, South Dakota State, South Dakota and Nebraska-Omaha of the North Central Conference will face the Panthers. Two new teams appear on the schedule. Minnesota-Morris, which went through the 1979 season undefeated in regular season play at 10-0, will open the schedule Sept. 1. The Cougars lost in the semi-finals of the Division III playoffs and ended up with an 11-1 record. Division 1-AA power Western Kentucky will close the season Nov. 10 in the Dome. The Hilltoppers had an 8-2 record, winning the Ohio Valley Conference championship.

Teamwise, one area Sheriff won't be worrying about will be his offensive backfield. **Kelly Ellis**, the diminutive tailback from Waterloo, IA, returns for his third season. After a brilliant freshman season in which he led the entire nation in all-purpose running, Ellis tailed off slightly in 1978, but is the type of player who generates excitement every time he touches the ball. "Kelly is the type of player that you want to have the football as much as possible," said Sheriff, "because you never know when he will go all the way." That was evident last season when he had two runs of over 45 yards called back against UNO and he broke loose for a 97-yard scoring jaunt against Akron, which was one yard short of a school record.

To compliment Ellis, Sheriff has brought in **Nelson Berry (5-8, 175)** from Coffeyville Junior College to help take some of the burden off of Kelly. Berry is built along the same lines as Ellis and during spring practice impressed the staff as a legitimate threat to score at any time. Last year's fullback, Norm Montgomery, is gone, leaving a vacancy in the backfield. A trio of talented backs are vying for the starting role. **Mark Fullbright (6-0, 205)** from Cedar Falls, IA, saw some action last season as did sophomore-to-be **Greg Trosky (5-10, 185)**. The other candidate is **Rick Nepote (6-3, 210)** who played with Berry at Coffeyville. Trosky and Fullbright are small, quick backs, while Nepote is the power-type of back.

The number one concern, offensively, during spring ball, was to find out which of the six quarterbacks in camp could do the job. The job has apparently fallen to **Steve Sandon (6-3, 185)**, a sophomore out of Des Moines, IA. Another sophomore, **Dave Plantan (6-0, 180)**, emerged as Sandon's backup with senior **Dana Deines (5-11, 175)** holding down the third spot.

The receiving corps will be young. **Maurice Washington**, who was a defensive back last season, has moved to split end, had a good spring practice and seemed to pick up the position naturally. The flanker spot will be strong with senior **Mark Hendrickson** and junior college transfer, **Kenny McNeail** battling it out. **Doran Geise (6-5, 220)** and **Tom Matheson (6-3, 205)** are the top candidates for the tight end position.

The offensive line should be a little more experienced than last season. **Steve Wright (6-5, 240)** will move from tight end to left tackle and junior **Skip Eckhardt (6-2, 225)** will be at the left guard position. There is a battle for the starting right guard slot with veteran **Steve Gudgell (6-1, 235)** being challenged by sophomore **Scott Hamilton (6-2, 225)** for the number one position. The same situation exists at right tackle with senior **Paul Christenson (6-4, 240)** and sophomore **Dave Ehrig (6-2, 242)** each looking for the starting berth. The center position is really wide open with four players battling neck and neck for the starting nod. Last year's starter, **Richard Elliott (6-2, 235)**, missed spring practice due to a shoulder injury. With transfers **Jim Passage (6-0, 225)** and **Dan Morris (6-2, 225)** being new to the program, a frantic search for a spring practice center produced **Rick Claraham (5-10, 230)** who had been a guard for the past couple of seasons.

Probably the strongest area of this year's team will be the defensive front line and the linebacking corps. **Rod Tegeler (6-3, 215)** and **Ed Stratton (6-0, 205)** will anchor the end positions. The Panthers should have two of the best tackles around with **Owen Dockter (6-4, 250)** and **Dave Ramthun (6-3, 245)** both having two years of experience under their belts. **Jake Schoenenberger (6-7, 235)** will back up those two in case of injury. **Rick Squire (5-11, 240)** and **Mike Willett (6-3, 235)** are the top two nose guard candidates in the Panthers "52" defensive alignment.

The linebacking troops are solid with seniors **Matt Spanjers (5-11, 220)** and co-captain **Ed Arnold (6-2, 220)** returning. **Dan Gerber (6-0, 217)**, a JC transfer, **Paul Johanns (6-0, 210)** and **Larry Formanek (6-0, 222)** will make up the reserve section.

The defensive secondary, a question mark during the 1978 season, seems to have improved itself substantially. One improvement will be the return of **Dave Erstad** at the free safety spot. **Erstad (6-0, 190)** injured his shoulder in pre-season practice last August and was forced to sit out the entire season. **Rick Ellingson (5-10, 170)** and **Dave Gentzler (5-8, 155)** are both seniors with experience at the cornerback positions, but **Mike Smiley (6-0, 165)**, a transfer student from Scottsdale, AZ, Community College, was pushing hard in spring practice for a starting role. **Danny Todd (6-0, 200)**, a transfer from Waldorf JC should see plenty of action at strong safety.

Terry Lang (6-2, 210) will once again handle the place kicking chores. He hit four of six field goal attempts and 15 of 20 extra points last season. With the graduation of Mark Whitver, Coach Sheriff has dipped into the junior college ranks for a punter and came up with a dandy in **Todd Speer (6-0, 185)** from Ellsworth JC. Speer was third in the nation in the junior college ranks last year averaging over 41 yards per kick.

The Panther

37 — Ed Arnold, LINEBACKER
6-2, 220, Sr. Evansville, WI

Was the second leading defensive point leader with 573 after being switched from defensive end to linebacker last season ... one of the most aggressive and dedicated players on the squad ... off season weight program really increased his strength and speed and was evident in spring practice ... his lateral movement with the ball is probably his greatest asset ... had 26 solo tackles and 70 assists to go along with two interceptions last fall ... played for Bob Berezowitz at Evansville High where he earned all-league and district recognition ... an excellent student with an accumulative grade point of 3.00 in Industrial Technology. Born: June 17, 1958, in Iowa City.

15 — Dana Deines, QUARTERBACK
5-11, 175, Sr. Cedar Falls, IA

One of the most highly respected players by his teammates and coaching staff ... one of six quarterbacks vying for the starter's role ... was converted to quarterback after being at cornerback his freshman year. As a sophomore, he filled in for the injured Terry Allen and led the Panthers to a 31-21 victory over Eastern Illinois for the Panthers' first win of the season ... knows how to run the Veer offense and his deceptive speed is an added plus ... prepped at Cedar Falls High where he won seven letters in football, wrestling and baseball ... he is also one of the leaders in the classroom with a grade point average of 3.22 in Biology ... also active in civic affairs acting as the assistant youth director at the Nazareth Lutheran Church last summer.

32 — Kelly Ellis, TAILBACK
5-7, 165, Jr. Waterloo, IA

In all probability, the most electrifying runner ever to wear the purple and gold at UNI ... possesses not only blazing speed but has the uncanny ability to change directions at full throttle ... was the leading all-purpose rusher (pass receiving, rushing, kickoff and punt returns) in the entire nation as a freshman and tied a single game record with four touchdowns against South Dakota the same year ... had somewhat of an off season last fall, but still managed to rush for 742 yards and five TDs ... caught 11 passes for 223 yards and two touchdowns and completed three of six halfback passes for 70 yards and two more TDs! ... came within one yard of tying the school record for the longest run from scrimmage when he broke loose for a 97-yard scoring jaunt against Akron ... a definite crowd pleaser, is a threat to score whenever he touches the ball ... was an elite all-state selection two years in a row at West Waterloo ... was also the top sprinter on the Panther indoor track team this past winter. Born July 28, 1958, in Waterloo.

The Panthers fell behind early in the second quarter, 6-0, but defensive end Jake Schoenenberger recovered a Warhawk fumble in the endzone and UNI led at the half, 7-6.

With 12:12 to go in the game, Whitewater took the lead back, 12-7, having missed both extra points and that set the stage for Ellis' winning score. A pass from Dana Deines to Mark Fullbright was good for the two-point conversion.

Sept. 23 ...

Ogden, UT ... Attendance 7,486

74 degrees ... Night game

The Panthers traveled to the mountains of northern Utah to face the Wildcats of Weber State, a Division 1-AA school in the Big Sky Conference.

A 22-yd. field goal by Terry Lang and a 9-yd run by Kelly Ellis gave the Panthers a 9-7 halftime lead. But the roof fell in in the second half as Weber exploded for 28 points and dealt UNI it's third straight defeat, 35-9.

Fumbles and pass defense were the Panthers undoing for the second week in a row. UNI lost three crucial fumbles in the second half, two of them resulting in touchdown strikes, and the third one was picked out of the air and returned 57 yards for six.

Both teams took advantage of each others fumbles and turned them into touchdowns, but the Panthers came up a field goal short, dropping their third road game in a row, 17-14.

UNI opened the scoring with some razzle-dazzle with tailback Kelly Ellis taking a pitch from quarterback Terry Allen and throwing a 27-yard strike to Mark Hendrickson. UNO tied the game shortly before halftime on a 40-yard TD jaunt by Bobby Bass.

UNO extended its lead to 17-7 with a 23-yard field goal by Mark Schlecht and a 9-yard touchdown pass from reserve quarterback Lee Sapp to Harold Young. The Panthers closed to within three points on a 78-yard touchdown pass from Allen to Ellis with 9:24 remaining in the game.

NORTHERN IOWA 35, North Dakota 17

Oct. 7 ...

Cedar Falls, IA ... Attendance 8,700

The Panthers returned to the friendly confines of the UNI-Dome and exploded for 35 points, turning back the Fighting Sioux 35-17 for their second victory of the season.

Quarterback Terry Allen tied a school record for most touchdowns in one game with four TD runs and had 104 yards passing to go along with it.

UND jumped off to a quick 14-0 lead and it looked as though the Panthers were in for a long evening, but a 1-yard plunge by Allen and a 5-yard run by Kelly Ellis tied the game. UND's Walt Cook hit a 38-yard field goal to give the Sioux a 17-14 halftime lead.

Three short runs by Terry Allen and a strong defensive effort put the game out of reach in the second half. The Panthers chalked up 265 yards in total offense, while the defense kept UND's passing attack at bay, intercepting four Sioux aeriels, with linebacker Ed Arnold picking off two of them.

After battling the Bison on their own turf even the first half, 7-7, NDSU came out smokin', scoring five times in the second half, posting an easy 42-14 victory over the Panthers in what would eventually be the worst defeat, point wise, of the season.

The whole story of the game was State's quarterback Mark Rudrud who scored one touchdown and passed for three more while piling up 229 yards of offense himself, 115 on the ground and 114 through the air, on 8 of 11 passes thrown.

A 12-yard run by Rudrud and a 1-yard sneak by UNI's Terry Allen were the only two scores accounted for in the first half of play.

Two minutes into the second half, State's Mike Kasowski recovered a blocked punt in the endzone to start the Bison scoring spree. The Bison scored two more times in the third quarter and twice in the fourth.

UNI's other touchdown came on a halfback pass from Kelly Ellis to quarterback Terry Allen good for 31 yards.

The Leathernecks from Western scored all their points in the first half and put up a staunch defense that limited the Panthers to just one touchdown, their lowest scoring output of the 1978 season, enroute to a 21-7 win in the UNI-Dome.

Western's first score came on a sustained 80-yard drive capped by a 1-yard run by Jerry Bey with 6:02 showing in the first quarter. After the ensuing kickoff, Terry Allen's pass was picked off at the UNI 24-yardline and five plays later WIU quarterback Kevin Conolty scored on a 2-yard keeper. Western's final touchdown came as a result of an Allen fumble two plays following the kickoff after the second touchdown. Three seconds into the second quarter, Conolty hit Herb Simpson with a 6-yard scoring pass.

UNI's only score came with 4:12 left in the third quarter on a 3-yard run by Allen, driving 49 yards in eight plays for the score. From there on out, WIU's defense forced the Panthers to punt on their next four possessions and picked off a Steve Sandon pass with 1:17 to go to ice the game.

A two-point conversion run by Terry Allen with a 1:24 showing on the clock failed and the Jackrabbits from South Dakota State hung on for a narrow 10-9 victory over the Panthers in the UNI-Dome.

All of SDSU's scoring came in the first half via a 31-yard field goal by Steve Cron and a 31-yard touchdown pass from Chuck Hoenhaner to Lionel Macklin.

UNI got on the scoreboard late in the third quarter on a 30-yard field goal by Terry Lang. The Panther defense toughed up and forced the Jacks to punt on four straight possessions. Following the fourth punt, UNI took over on its own 10 yardline with 6:14 showing on the clock and marched 90 yards in 14 plays, culminated by a 4-yard scoring run by Allen.

The Panthers scored first on a 28-yard field goal by Terry Lang in the first quarter. NMU scored twice in the second quarter and had one PAT attempt go wide to take a 13-3 lead.

With 1:30 to go in the first half, Terry Allen hit Norm Montgomery with a 12-yard pass, but Lang's kick was blocked and UNI was down 13-9 at halftime.

Early in the third quarter, the Wildcats marched 53 yards for their third touchdown of the game, a 19-yard pass from Phil Kessell to Greg Grigley. The PAT was good and NMU had a 20-9 lead.

UNI came right back following a Wildcat fumble and drove 31 yards in just 4 plays with Allen scoring from 9 yards out. Lang's kick was once again blocked and the score stood at 20-15. With 4:30 to go in the game, a Panther drive stalled at the Wildcat 28 yardline and Lang made good on a 38-yard attempt for three points, closing the gap to 20-18, but that was as close as the Panthers could get.

THE UNIVERSITY OF NORTHERN IOWA

The University of Northern Iowa, one of the nation's leading institutions of higher learning, is the outgrowth of the Iowa State Normal School established by the General Assembly in 1876. On September 6 of that year 27 students under four instructors began classes in a renovated home for Civil War orphans. This building, later named Central Hall, was destroyed by fire in July, 1965.

From a single building on a 40-acre campus, the University has grown to include over 40 major buildings, a 723-acre campus, over 500 faculty members and over 10,000 on-campus students. Of the 11,340 enrolled for university credit in the fall of 1978, 10,455 were on-campus and 885 were through extension and correspondence. The University also maintains a laboratory school for some 700 students in pre-school through 12th grade.

During the first 27 years, the school issued teaching certificates requiring 12 weeks to two years of training. In 1903 a four-year curriculum based on high school graduation and leading to the degree of Bachelor of Arts in Education was authorized.

In 1909 the institution was renamed the Iowa State Teachers College and the government of the College, along with that of the University of Iowa and Iowa State University, was vested in the State Board of Regents, a nine-member body appointed by the Governor. Under the new name, the College attained a reputation as one of the nation's outstanding institutions for preparation of teachers.

On July 5, 1961, the Iowa General Assembly on recommendation of the Regents changed the name of the school to the State College of Iowa and redefined its function to include the offering of liberal arts degrees.

On July 1, 1967, the General Assembly on recommendation of the Regents approved university status. The name was changed to University of Northern Iowa and its function was again redefined.

Although teacher education remains an important program, the University offers degrees to students majoring in a wide variety of subjects. Thus UNI has two Bachelor of Arts degrees, one with certification to teach and one without certification. Also, a Bachelor of Technology degree can be earned with or without certification to teach, and since 1969, the

Bachelor of Music degree has been offered. A Bachelor of Fine Arts degree was approved by the Regents in 1976. An individual Studies major enables a student to pursue, with faculty approval, a wide assortment of study areas. The Bachelor of Liberal Studies, the fifth baccalaureate degree, is an external degree made available through the cooperative efforts of the three Iowa Regents universities. This degree was approved by the Regents in 1977.

On the graduate level, courses leading to the degree of Master of Arts in Education were offered for the first time in the summer of 1952 and a sixth-year program leading to the Specialist in Education degree began in 1960. A sixth-year Specialist degree with a program in science education was inaugurated in 1970.

In 1964, the Master of Arts degree was approved by the Regents. The first Master of Arts degrees were granted in 1966. The Master of Business Administration degree was approved by the Regents in 1975, and the Master of Music in 1976. The graduate program was further extended in 1978 with the addition of UNI's first doctoral degree, the Doctor of Industrial Technology.

Ground was broken in October, 1975, for the 1st phase of the Speech/Art complex, located southwest of Russell Hall. This phase, which includes the Strayer-Wood Theatre and the Communication Arts Center, opened in January 1978.

UNI Athletic Staff

R. C. JOHNSON — Associate Athletic Director for Men

In his second year as Associate Athletic Director for Men, Johnson served as assistant athletic director and business manager for four years before being elevated to his present position. After receiving his B.A. from Iowa in 1965, Johnson spent one year as a student assistant there before coming to UNI as a graduate assistant under Stan Sheriff in 1966. In 1967 he moved to Youngstown State as the offensive coordinator and in 1968 moved to Mankato State where he spent six years as the offensive line coach before coming back to UNI. Johnson received his M.A. degree from UNI in 1967. He and his wife, Reenie, have one son, Jeff.

SANDRA WILLIAMSON — Associate Athletic Director for Women

A new face in the Intercollegiate Athletic Program, Sandra joined the UNI staff in July of 1978 following a merger of men's and women's athletics. She is the first associate athletic director for women at UNI and also assumed the duty of coaching UNI's women's basketball team. Prior to joining the Panther staff, she spent six years at Carroll College in Helena, MT, as the women's basketball and volleyball coach. She is currently studying for her doctorate degrees from the University of Northern Colorado at Greeley during her summer vacation period.

ANN HILL — Athletic Business Manager

A familiar face on the Northern Iowa Athletic Staff, Ann was promoted to the position of Athletic Business Manager for both men's and women's intercollegiate athletics two years ago. Along with her duties as business manager, she also is in charge of ticket sales for all athletic events sponsored by UNI. Ann came to Northern Iowa in 1967 and served as secretary in the Athletic Business Office before assuming her present duties. She and her husband, George, have three children — Jan, Barb and George, Jr.

DAVE BURTON — Head Athletic Trainer

Starting his third year as Head Trainer, Burton heads up the Athletic Training staff that keeps UNI's athletes on the field. After receiving his B.S. degree from Fort Hays State in 1976, Burton came to UNI and obtained his M.A. degree in 1977 while serving as an assistant trainer under Elmer Kortemeyer. When Kortemeyer took a special two-year leave of absence, Burton was promoted to the head position. Burton is a member of the American College of Sports Medicine, the State Licensing Committee on Athletic Training and the National Athletic Trainers Association. In the spring of 1978, Burton accompanied the NCAA Division II All-Star wrestling team to Mexico City as the team's head trainer. He is a certified athletic trainer and an Emergency Medical Technician. A Boulder, CO, native, Burton and his wife, Marti, were married this past May and reside in Cedar Falls.

ROBERT MacKENZIE — UNI Athletic Club Executive Secretary

The newest member of the UNI staff, "Mac" is the first full-time executive secretary of the UNI Athletic Club which is the driving force behind the UNI athletic scene. Money raised by the club goes directly to the general scholarship fund and is used to provide athletic scholarships for UNI athletes. MacKenzie brings a wealth of fund raising background to UNI. Prior to his position here, he spent six years at Simpson College as an Admissions Representative and Assistant Director of Development and in 1978 was elevated to Associate Director of Development. During his years at Simpson, Mac was instrumental in raising over 2.6 million dollars for the new physical education-recreation center. He and his wife, Mary, reside in Cedar Falls.

The UNI-Dome — A UNI-que Coliseum

UNI supporters and the entire state of Iowa realized a dream come true with the completion of the UNI-Dome — a completely covered, multi-purpose facility with an air-supported roof — in February of 1975.

UNI-Dome, the prefix stands for University of Northern Iowa, as well as meaning one and unique, combines the features of three buildings — a football stadium, field house and large auditorium. It will host such events as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball, softball and field hockey games and wrestling and track meets.

The UNI-Dome's air-supported, Fiberglass fabric roof constructed by Owens-Corning Fiberglass Corporation, was erected at a cost equal to half that of conventional roof construction. And because of the dome's translucence, ample natural light is available during daylight hours — a sizable savings on utility costs.

Multi-Purpose Use

UNI-DOME was designed with "something for everyone." Its artificial turf for football games and practices can be rolled up in 45 minutes. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games can take place simultaneously at the field level.

Approximately 16,400 spectators can be seated for football and 7,254 for court-sized activities. For stage activities, such as commencement, concerts and artist or speaker series, total capacity — using movable bleachers and folding chairs — can reach 25,000.

Air-Supported Dome

The 168,000-sq. ft. dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12 stranded steel cables and four air blowers. A concrete and steel ring around the top of the 70-foot high stadium wall holds the cables.

The cables, which shape, as well as support the dome, are $2\frac{7}{8}$ inches in diameter. They vary in length from 395 to 484 feet, and together weigh 47 tons, or 94,000 pounds.

Two 40,000 cfm (15hp) fans circulate air and maintain enough air pressure in the building to keep the roof inflated during normal use. Two additional 135,000 cfm (125 hp) fans, are used during inflation of the roof, during mass exiting from the building (which causes great loss of air pressure), during heavy snow fall for aid in melting snow on the roof, and during spectator events for heating and cooling the building.

Fiberglas Fabric Roof

The roof of UNI-DOME is made of 49 tons of woven Fiberglass fabric coated with Teflon. The fabric is self-cleaning and requires virtually no maintenance. It will not burn or support combustion, nor is it affected by ultraviolet radiation.

Approximately 60 percent of the dome has an inner liner of fabric that provides acoustical as well as thermal benefits. The liner tends to baffle the sound waves, and air from perimeter, where the pressure is greater than outside the building, can be diverted and blown between the two layers to facilitate snow melting.

Other Features

UNI-DOME has four main entrances, leading to a 32-foot wide concourse. Seats, color-matched to tickets, are easily reached through seven access gates on the east and west sides. A total absence of columns and posts gives every seat in the stadium an unobstructed view.

A service entrance, large enough for a tractor-trailer, is located on one end of the stadium. Concessions, displays, first aid stations and rest rooms are conveniently located on either side of the building.

A spacious press box atop the east stands has facilities for 10 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are a few other features.

Two huge scoreboards can flash messages and information to spectators throughout the events.

Plans call for the addition of administrative offices, locker and training rooms and VIP boxes. Currently a tunnel connects UNI-DOME with the Physical Education Center for locker facilities.

The Mid-Continent Conference

Entering into its second year of existence, the Mid-Continent Conference has already produced in its first year a national champion in Division II football. Eastern Illinois, finishing third in the conference race, chalked up victories over Cal-Davis, Youngstown State, the Mid-Continent champion, and defeated Delaware, a perennial power in Division II, 10-9 to claim the national championship.

In basketball, regular season champion Eastern Illinois, along with Northern Iowa and Northern Michigan, both of which tied for second, each made an appearance in the Division II playoffs. EIU and NMU lost their first round games, but UNI defeated Nebraska-Omaha on its home court 84-72 before losing to eventual national runner-up, Wisconsin-Green Bay, 56-50 in the final game of the first round.

Eastern Illinois surprised Northern Iowa in the conference wrestling tournament and then went on to finish second in the Division II nationals, losing to Cal State-Bakersfield by one-fourth of a point. UNI finished third.

In track and field, UNI won the conference crown handily, and went on to finish fifth in the national Division II meet with Brent Geringer successfully defending his discus title. Western Illinois finished eighth.

The Mid-Continent schools have been prominent in athletic competition in past years as well. Northern Michigan was an NCAA Division II semi-finalist in 1977 in football and won the championship outright in 1975. Youngstown State made it to the semi-finals in last year's football playoffs and in 1977 reached the quarterfinals of the basketball playoffs. In 1977, Eastern Illinois placed third in the basketball tournament and Western Illinois finished third in the 1978 Division II Track and Field championships.

Northern Iowa captured the 1975 and 1978 Division II wrestling titles and reached the Division II football playoffs in 1975. UNI's track squad finished ninth at the 1978 championships and the cross country team placed in the top 10 in 1978.

The Mid-Continent Conference was two and a half years in the making. It began with a meeting in Houston, TX, in January of 1975 and began its first full season of competition in September of 1978 with a regionally televised football game between Youngstown State and Northern Iowa in the UNI-Dome.

Competition on a league basis revolves around eight sports including football, basketball, cross country, track and field, wrestling, swimming, golf and tennis.

Northern Iowa Bowl Appearances

1960 Mineral Water Bowl

Excelsior Springs, Mo. — Northern Iowa ran into a bulldozer from Hillsdale College (Ohio) which won the contest 17-6.

The Panthers never really got going after finishing the 1960 season with a fine 9-0 record and winning the North Central Conference.

This game marked the first time in history UNI (then Iowa State Teachers College) played in a bowl contest.

1964 Pecan Bowl

Abilene, Tex. — In the first NCAA-sanctioned Pecan Bowl, UNI scored an impressive 19-17 win over Lamar Tech behind a sensational performance by two-time All-American fullback Randy Schultz.

Schultz ran for 160 yds. on 38 carries and scored two touchdowns. He was named the outstanding back of the game and teammate Loren Buser received the outstanding lineman.

The Panthers were 9-2 for the season and tied for the North Central title.

Seldom Seen and Always Heard

Nothing compliments an efficient press box better than having an efficient statistics crew and public address announcer and here at Northern Iowa we feel we have the best around in both departments.

The stats crew consists of four gentlemen who donate their time in helping make our facts and figures mean something. Chuck Chamness is in charge of keeping the passing and receiving stats; Randy McMahon tallies up first downs, fumbles, return yardage, penalties and punting; Paul Dunbar is the resident defensive stats specialist and Gaylon Halverson is the play-by-play whiz on the typewriter. Assistant SID Nancy Justis keeps the running stats while Sports Information Director Brad Larsen keeps things running.

The voice of the UNI-Dome for both football and basketball is Bob Justis, who happens to be Nancy's husband. Bob's face is seldom seen, but his voice is a familiar one to Panther fans, as he keeps them informed of happenings on and occasionally when emergencies arise, off the field as well.

The Sports Information Department of UNI salutes these persons for the time and effort they put in to help us do our job more efficiently.

The UNI Athletic Club — Boosting the Panthers

Front Row L-R: Loren Buser, Jerry Anderson, Dale Niederhauser, R. C. Johnson, Tom Barbatti, Chuck Swisher, Stan Sheriff, Bob MacKenzie, Frank Malone, Bill Heiple. Back Row L-R: Jerry Grosse, Dave Tyler, Jack Simonsen, Herb Dorfman, George Clark, Bob Lichty, Roy Miller, Bill Bolster, Bob Kenny, Don Richards, Dick Morris, Russ Gerard, Joe Sampson, Wendell Lockard, Bill Travis, Bill Card, Bill Straw, Fred Timson, Bill Plantan.

The UNI Athletic Club, now in its 15th year of existence, is a non-profit organization with the sole purpose of encouraging and supporting the athletic programs at UNI. All money raised by the Club goes directly for men's athletic scholarships to help student-athletes obtain an education.

In its first year of existence, the Club raised just over \$6,500. In 1978-79, a record \$162,000 was raised and the goal for this year has been set at \$200,000. Heading the Club this year is Waterloo attorney Chuck Swisher with Tom Barbatti serving as Vice-President. Robert MacKenzie serves as the Club's Executive Secretary.

The Club is divided into four different levels of contributions. For a contribution of \$1,000 or more, persons may join the V.I.P. Club. The Gold Club is for donations of \$500, the Purple Club \$250 and the Century Club \$100. Special pre-game and post-game parties are held for the entire membership as well as golfing outings, picnics and other special events.

Follow the Panthers on KCFI — 1250

The Panthers have found a new home on the airwaves this fall and it will be at 1250 on the AM dial with KCFI carrying all Panther football and basketball games at home and away. Starting Sept. 1, KCFI will go on the air around the clock bringing sports fans in this area a wide variety of high school, collegiate and professional sports.

The voices of the Panthers will not change as veterans **Clare Rampton**, the play-by-play announcer, and **Loren Buser**, providing color, will bring all the exciting action of Panther athletics to the ears of the listeners. Rampton is in his 12th season as the Panthers' main voice and has been assisted by Buser the past six years.

The main cog behind the change has been station owner **Jim Mudd** who has made the commitment to become the number one sports station in the metro Waterloo-Cedar Falls area.
